Call to Artists

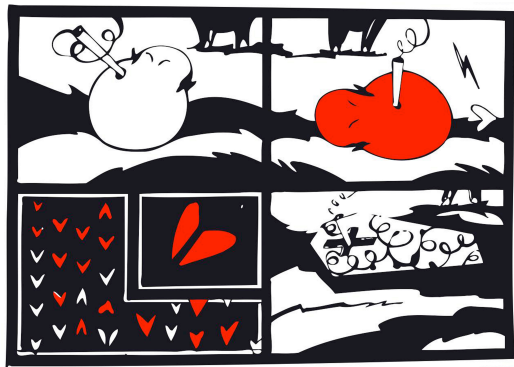

From CASA of Dearborn Co. and Adam's ART&SUPPLY

Addiction and recovery are experiences that can be hard to put into words. When we as a community have difficulty identifying with the experiences of others it is often through the arts that we can achieve understanding. It is in this spirit of community and understanding that Dearborn County Citizens Against Substance Abuse and Adams Art & Supply are pleased to issue a Call to Artists to appear in an exhibition highlighting substance abuse, addiction and recovery.

The purpose of this exhibit is to contribute to the concept that creativity and artistic expression can play a significant role both in recovery and in raising awareness of the personal and community tolls caused by substance abuse and addiction. Artworks can give insights into the human experience of addiction, can spark dialogs, can teach, and can change perceptions.

Artists are invited to submit original artworks on the theme of drug addiction and recovery.

The jurors for the exhibition will be Adam Gilliam –Owner Adams Art & Supply & Amy Rose- Treasurer CASA
